

How we protect ourselves in Arosa Lenzerheide

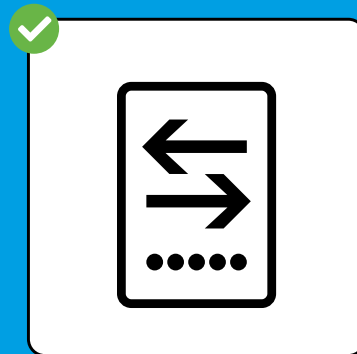

Persons aged 12 and older are only carried with a mask

Please bring your own mask. Guests without a mask will not be transported in the gondolas and aerial tramways.

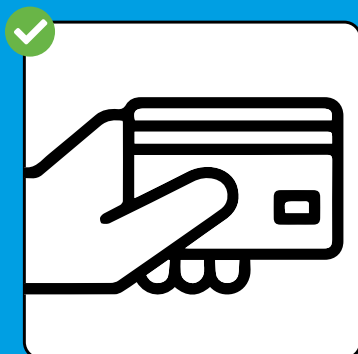

Keep your distance

Keep your distance in front of the counters, in the waiting areas and on the platforms. Leave space for other guests and make sure that the gondolas are distributed as well as possible.

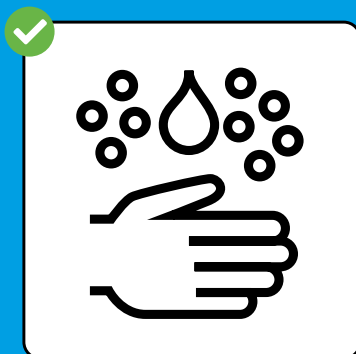

Buy tickets online

You can buy day tickets, multi-day tickets and combination tickets for the Arosa Bear Sanctuary online and load them directly onto your SwissPass or Skidata Keycard. arosalenzerheide.swiss/ticketshop

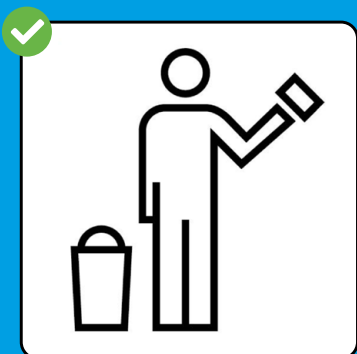

Cashless payment

We recommend cashless payment by card.

Wash your hands thoroughly

Observe the rules of hygiene and conduct of the Federal Office of Public Health.

We clean regularly

We take care of the regular cleaning of the gondolas, especially of contact surfaces such as holding rods, handles and surfaces. Support us by not leaving any waste lying behind.

Die Kampagne «Clean & Safe» wird von Schweiz Tourismus unterstützt. Die Umsetzung und Einhaltung der Schutzkonzepte obliegt den Branchenverbänden und ihren jeweiligen Mitgliedern. Informationen zu den Schutzkonzepten der Branchenverbände finden Sie unter clean-and-safe.ch
